Forward

Another school year is rapidly drawing to a close, and it is the hope of the yearbook staff that the 1964-65 Ida Comet meets with your approval. When you look over the pages in this book, the staff sincerely hopes that you are reminded of fond memories and good times that you have spent at Ida High School.

Dedication

Mr. Donald Russeau

The 1964-65 Annual Staff has chosen to dedicate this year's Ida Comet to Mr. Donald Russeau, counselor and friend to the student body of Ida High School.

For the past two years, he has devoted his time to help whoever seeks his advice. As a counselor, he has heard many problems and he has, to the best of his ability, done what could possibly be done to help. As a friend, he has made himself "liked" by all those who come into his contact daily. As advisor to the Annual Staff, he has put forth much time and effort to help the staff turn out a good yearbook. The members of the staff owe a great deal to Mr. Russeau for his ideas, helpful suggestions, constructive criticisms, and so on. Without him and his help, the yearbook would not have come through as it did. And so, to you, Mr. Russeau, the Annual Staff says a heartfelt "Thank You."

Memoriam

MISS EMMA CLARK

"She wasn't in a class all by herself and she wasn't fighting a losing battle. Because of the way she was and all that she stood for we class her among the noble . . . . . the honest . . . . . and the greatest.

What she stood for was easy enough to understand, but not all wanted to understand. Her self purpose among us, was not only to educate, but to put within us, a burning flame of truth and courage. The courage to stand up for our rights and the things we believed in. The courage to admit our mistakes and then correct them. The truth she passed on to us, was to remember just who we were and to never try to over step our boundaries. She showed many of us just how wonderful and enlighting the small, unnoticed things of life were. And the things that look so enormous and outstanding were not always vital to life.

If we were wise enough to follow her examples then we learned to live and enjoy life to the fullest extent. One of her examples was simple in words, but had a great meaning. It went something like this . . . . . 'Sometimes just a word or two of kindness, to some one in need, is far better than a long speech.

What she wanted for her students went far deeper than what her occupation called for. She had a personal interest in each of them. And this interest was to help them as much as she could, in any way that she could. Her hope for them was that they would always live in such a way, that they should never be ashamed.

To Miss Clark we owe, not only gratitude, but a promise to better and enrich our lives.

Memoriam

CHARLES VERDON

There is a world above,
Where parting is unknown,
A whole eternity of love,
Form'd for the good alone,
And faith beholds the
dying here
Translated to that happier
sphere.

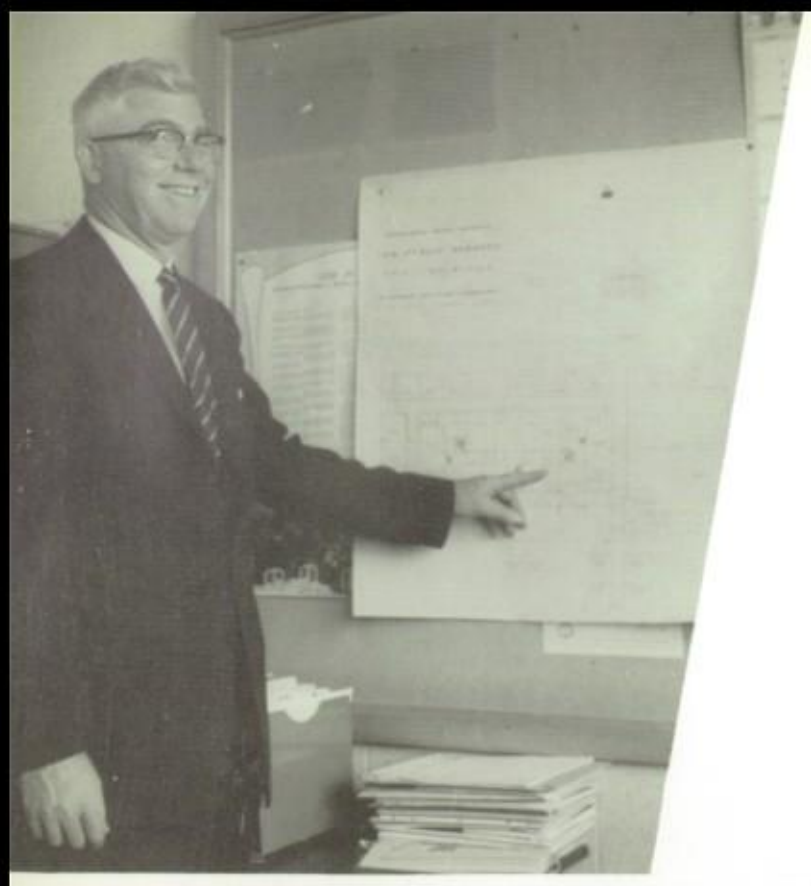
FACULTY

This years faculty of 25 is the largest in the history of Ida High School, as compared to 20 or less in previous years.

It is the responsibility of the faculty not only to teach, but to guide students in their future interests. They are the key to academic knowledge and the steppingstones between high school and the future.



And that's where the rest-rooms will be.

Superintendent

THE SUCCESSFUL TEACHER NEEDS

"The education of a college president.
The executive ability of a financier.
The humility of a deacon.
The adaptation of a chameleon.
The hope of an optimist.
The courage of a hero.
The wisdom of a serpent.
The gentleness of a dove.
The patience of Job.
The grace of God, and
The persistence of the devil."

From The Old High School

The Old High School was built in 1906. The first graduating class contained but six students: Grace Cooper, Ida Scheid, Rose Gilday, Mable Knapp, Mable Reidt, and Mary Snell. This school has given the community many years of faithful service, but now a new high school is being built, and the old must be razed, since the cost of rehabilation is so great. Although the old high school is giving way to newer and better schools, it will never be forgotten.

School Board

Seated: MR. ELVIN DRODT - Trustee; MR. NORMAN CAPAUL - Secretary; MR. LESTER NIEMANN - President; MR. FRANK WEILNAU - Treasurer; MR. HARMON MEIHLS - Trustee;
Standing: MR. HAROLD STOTZ - Trustee; MR. MARION EIPPERLE - Trustee; MR. HARRY FIRESTONE - Superintendent

To The New Construction

The New High School is being built at a cost of $1,100,000. It contains many new features such as: two courts, used for lighting and ventilation, a Home Ec. room divided so that two classes can be carried on at once; an Arts and Crafts room; as Auditorium, also used as a Study Hall; and a bigger and better library. The present high school will be used as a junior high for grades six through nine.

As the community of Ida continues to grow, we hope the school system will continue to improve also.

I just can't understand it. It says here he loves his mommy!

A Better Education And A Better Life With...

In Class

The teachers meet for an In-Service Training Program.

Discussing Classes

Mr. Shilliday, Miss Derosiers, Mrs. Rank, and Mr. Moody talk over their classroom problems in the Home Ec. room.

Teachers

Mr. Shilliday instructs his physics class.

Teachers participated in the Donkey Basketball game against the FFA boys.

Classes

Miss Baker, during her first year at Ida High, reads to her freshman English class.

Band

Mr. Neal, band instructor, listens to Joe Lerch playing his clarinet in the band practice room.

Math

Mrs. Cowan is always helpful to anyone in need. Here she explains a few points of Algebra to Bill Edens.

Chemistry

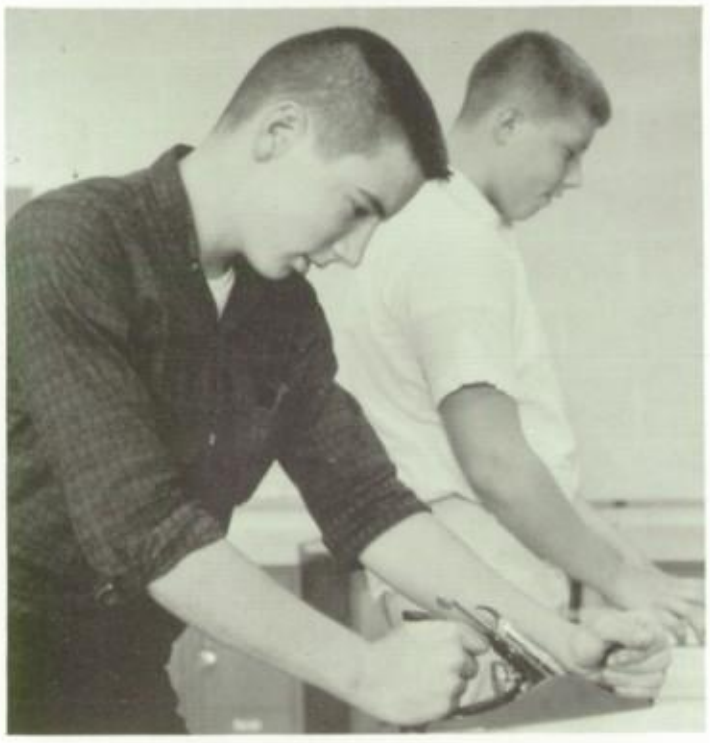
Mr. Shilliday, who teaches General Science and Physics classes too, helps Gayle Parker and Virginia Opfermann with a tough problem.

Home Economics

Students taking Home Ec. learn many things about fashions and personal grooming, as well as basic sewing and cooking. Mrs. Barron shows patterns to the girls.

Our faculty increases as the curriculum grows. Teachers and classes enjoy themselves equally and share hard days together too. Without co-operation neither teacher or student can receive the full value of what a school can and should be. With the aid of the faculty we can learn how to improve ourselves for the present and prepare ourselves for the future.

Students



Students in shop class are free to make things useful to themselves and to learn woodworking and metalworking.

Library

The library contains many references and aids to studying. Students take advantage of these during their study periods.

Physical Education

The eighth grade girls gym class practice calisthenics before playing a game.

Speech

Marv Dick and Ed Burgess give a demonstration in Speech class.

Physics

The students in Physics class work together in groups to solve problems.

Spanish

These students are learning better pronunciation by listening to drills in Spanish on the tape recorder.

Study Hall

Activities

Announcements

Mr. Schafer, our principal, reads the day's announcements every morning during home room.

Office Girl

Students may volunteer their study halls to help in the office. This gives the student experience and the office staff a lighter load.

Voting

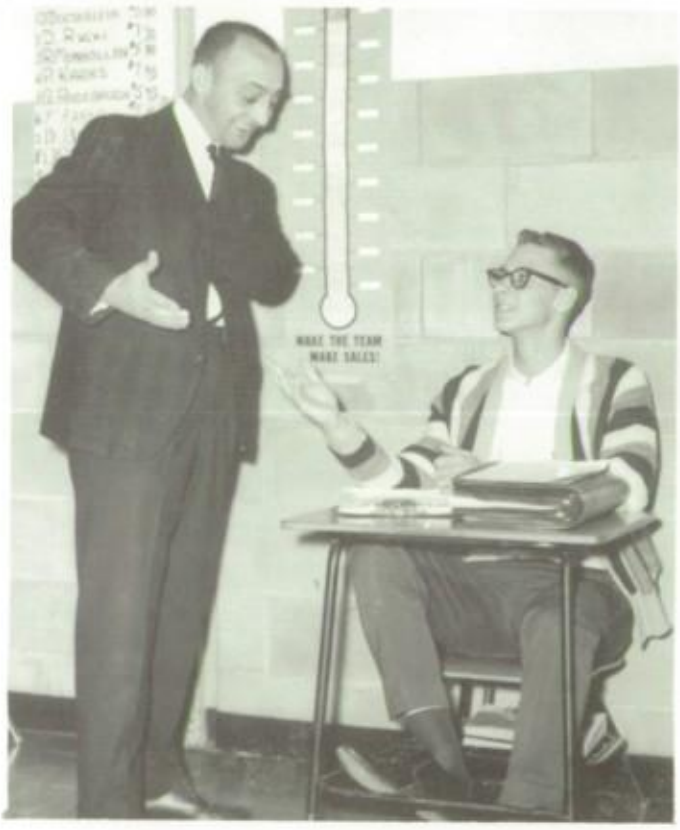
The school held an election for the presidency, during which, the students voted for their choices. The result of the campaigning that went on was - Lyndon Johnson as President of the United States.

Student Secretary

Girls get valuable experience doing the secretarial work of a teacher. This training will help them in the future finding of a job.

These are some of the things that a student may find to occupy any spare time during school hours. As an office girl or student secretary, girls get good secretarial practice and a chance to improve their grades with a little work. The band, too, offers anyone interested in music an enjoyable class, and an opportunity to show their skill. Our band is both a marching and concert band and very good at both. Pep Rallys at the end of the day serve to get everyone excited about the coming game, and to yell harder just in case they can't make the game. It is a good way to end the week.

Hall Monitor



Students in charge of the halls must make sure that everyone has a hall pass, and in the right place at the right time.

Band

The band, too, helps keep the school spirit at its peak. They give us a lot of enjoyable entertainment.

Cheerleaders

The Varsity cheerleaders watch the Reserves cheer at the Pep Rally. They do all they can to keep the spirit of the school riding high.

SENIORS

The ultimate has been achieved. Graduation is within sight. For some it's the end of a long grind. For others it's only a step on the way to future knowledge and education. For all this is a time of nostalgic memory and promising tomorrows.

MONTEVIDEO

Our foreign exchange students this year are Alvaro Mendez from Montevido, Uruguay, and Carlos Schüsselin from Colonia Valdense, Uruguay. Alvaro is living with Mr. and Mrs. H. Oakley Navarre, and Carlos is living with Mr. and Mrs. William Thomas. Alvaro enjoys reading and watching television in his spare time. Carlos collects match boxes, small flags, coins, stamps, and he enjoys sports. We sincerely hope that they enjoy their stay in Ida as much as we enjoy having them.

UNDERCLASSMEN

High school at last! The latest fad is suddenly as important as a good grade. A football or basketball game is more cheering than an evening spent in doing homework, although deep in their minds they know which comes first. The future is as distant as the farthest star.

HARRY FIRESTONE

CLUBS

Clubs provide the student with means to enlarge his interests and hobbys. They provide recreation and social activities, journalism and handicrafts. Some are organized as a business to make money, others for a purpose such as the Dance or Newspaper club. All are useful to the student, and depending on his likes and dislikes, one suits his purpose.

To Publication

Printing the Ida Hi-Lites

The newspaper is printed every other week during the school year. Under the editorship of Nancy Gerweck, the paper has expressed many areas of school life.

The yearbook is nearly a $2,000.00 project which requires many hours of preparation. The expense is supported through sales and advertisements.

Each picture and the printing is planned and pasted by hand in the designated place on each page of the yearbook. Countless hours are needed for the planning, the taking of the pictures, and the final preparation of the book. Consequently, from September to March, the yearbook staff handles hundreds of pictures, types thousands of words, and empties many bottles of glue. And when all is done, it is hoped that most of the names are spelled correctly and most pictures are in their proper places.

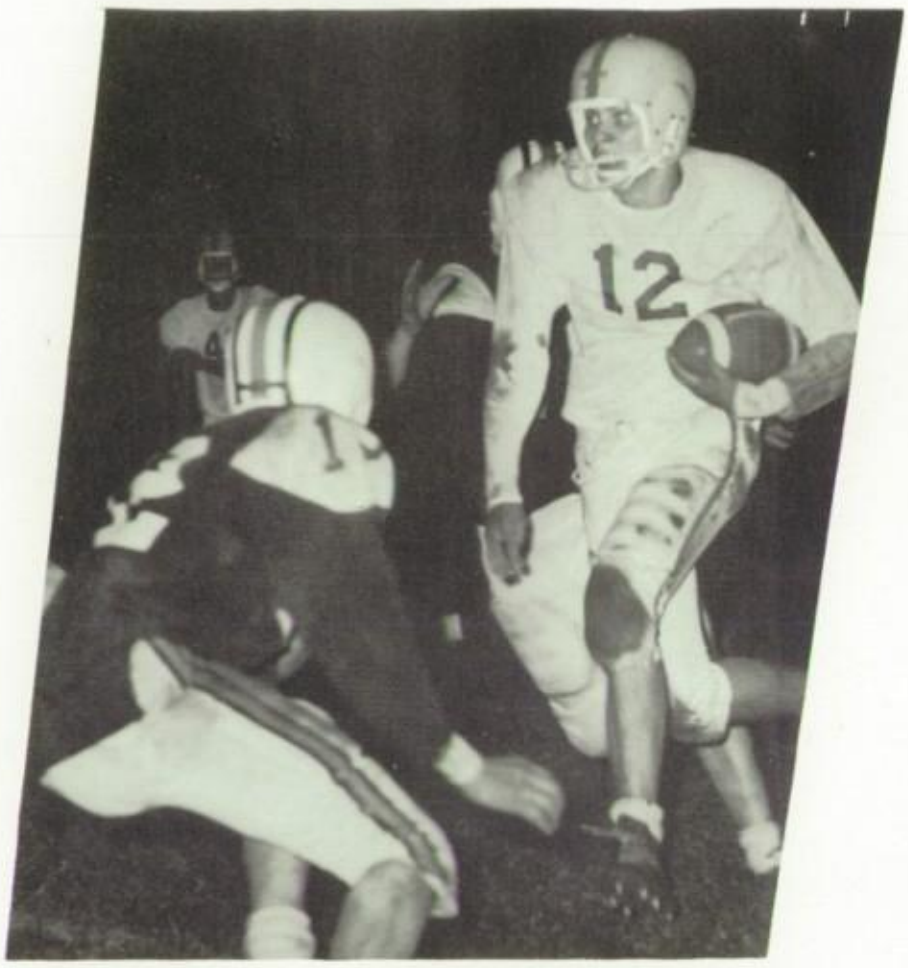
ATHLETICS



Athletics provide not only entertainment for all students, but experiences in teamwork and good sportsmanship for the players. Even though sports are important in the social structure of a school, they should not overshadow the main purpose of a school, which is education. Ida is justly proud of her athletes and their fine work.

17-Game Adrian CC Victory Skein Ended by Streaks

Ida Wins, 14-7

ADRIAN — Coach Jack Reisser's Ida Blue Streaks, displaying a relentless ground attack with a trio of backs running behind a hard blocking line, ended Adrian Catholic Central's 17-game winning streak here Saturday night and thrust themselves into the thick of the River Raisin Conference title race. The Blue Streaks turned in three long marches, scored on two of them, and throttled the vaunted Irish attack on all but two plays for a 14-7 victory.

It was Adrian Catholic Central's first football defeat since Oct. 6, 1962 when Deerfield won, 26-20. Since then Coach Ron Spagholi's squad had rolled up 661 points to 83 for the opposition in winning 17 straight, the last four in 1962, all eight in 1963 and the first five this season.

There was no fluke about the Ida victory, probably the biggest in many "big" victories Coach Reisser has turned in during his 13 years at Ida. It was a distinctly team effort all the way, the players themselves being unable to name anyone outstanding.

Ida scored the second time in possession, marching 70 yards in short gains, all on the ground with Ron Winkleman, Jerry Hicks and Ed Burgess taking turns. Winkleman scored from 2 yards out and Bob Fanning booted the extra point. The Streaks put on another 70-yard march in the second quarter, going to the Adrian 1-yard line before CC's Lary Ekman recoverel a fumble in the end zone.

The Ida defense relaxed with a 3rd down-25 situation and let Adrian's Tom Schwartz, facing another loss on a pass play, get away for 20 yards. Stunned by the reversal, the Streaks yielded a touchdown on a 40-yard run by Eric Wilkins on the next play and Jim McLaughlin booted the placement to tie the score.

But the Blue Streaks were not to be denied. Getting the ball on their own 40, they marched goal- got the minutes nt over nd Fan- nt. Adri- yond its ay. on the ish and hwartz's ce com- rew two

Okay, now what do I do?????

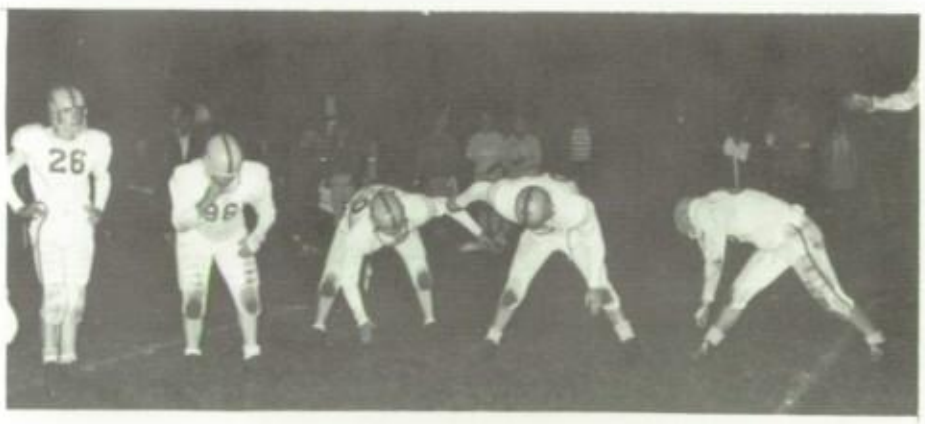
Can you JERK like me???!!!???

But, but, you're going the wrong way !!!!!!!!!

The 1964 football team had an extremely successful and exciting year. With some 20 seniors, the Bluestreak eleven lost only one game to the league title holders. One of Jack Reisser's team's most exciting victories was over a previously undefeated Adrian Catholic Central eleven which stopped their winning streak at 17 consecutive games. It was an exciting year with many stars and good team play. Next year will be a rebuilding year with the 20 departing seniors leaving many positions to be filled. All of this year's games were played away because of the construction of the new high school on the football field.

Watch it fellas--here comes that little man again!!!!!!

Altogether now--1, 2, 3!!!!!!!!!



Let's do it my way this time!!!!!

Oh gee! My loyal fans just can't keep away!!!!!

!!!?????%%%%!!!

Little Things Create Spirit

That's right boys--follow the leader!!!!!!!

Alright boys--What's going on in here?????

The 1964-65 basketball team coached by Mr. John Pazdzior finished the best season since 1951. The Bluestreak five posted the best season record (19-3) and won the first District title since 1951. They also were first to reach the Regional finals in many years of the cage sport at Ida.

This year's team included good height, balanced scoring, and team work. The team progressed through the District and to the Regional finals without the services of their Sophomore star, Gary Anderson, who received a concussion during the latter part of the season. The fine season ended by losing to a good Concord team in the Regional Finals. Congratulations on a fine season.

Banas Leads District Final Victory

Ida Wins, 65-60

By News Staff Writer

BLISSFIELD — The Ida Blue Streaks vaulted into the Class C Regional Tournament next week at Jackson Parkside High School with a 65-60 victory over upstart Morenci in the finals of the district playoffs here last night.

Playing fine basketball all the points in the second period and 12 of the Streaks' 17 final quarter points, including 10 of 13 free throws when Morenci kept fouling the strong senior.

The Streaks beat Boysville Monday and Whiteford Wednesday to quality for last night's finals.

It had been 14 long years — sweet taste of tournament championship.

When the final buzzer rang after Ida followers had counted off the waning seconds, Coach John Pazdzior, former University of Toledo star, was presented the large first-place trophy and then was hoisted on the shoulders of his players who

Stubleski, Hicks Lead Victory

Ida Defeats Whiteford

By News Staff Writer

IDA—The well-disciplined Ida Blue Streak basketball team, making few mistakes and led by the brilliant play of Bernie Stubleski and Gary Hicks at the important guard positions, moved into a tie for first place in the River Raisin Conference basketball race here last night with a 59-49 victory over the Whiteford Bobcats before a capacity crowd.

It was the season's first loss for the Bobcats after five victories and the victory gives coach John Pazdzior's Blue Streaks a matching 5-1 record. The teams are tied with Adrian C.C. at the top of the River Raisin standings at 4-1.

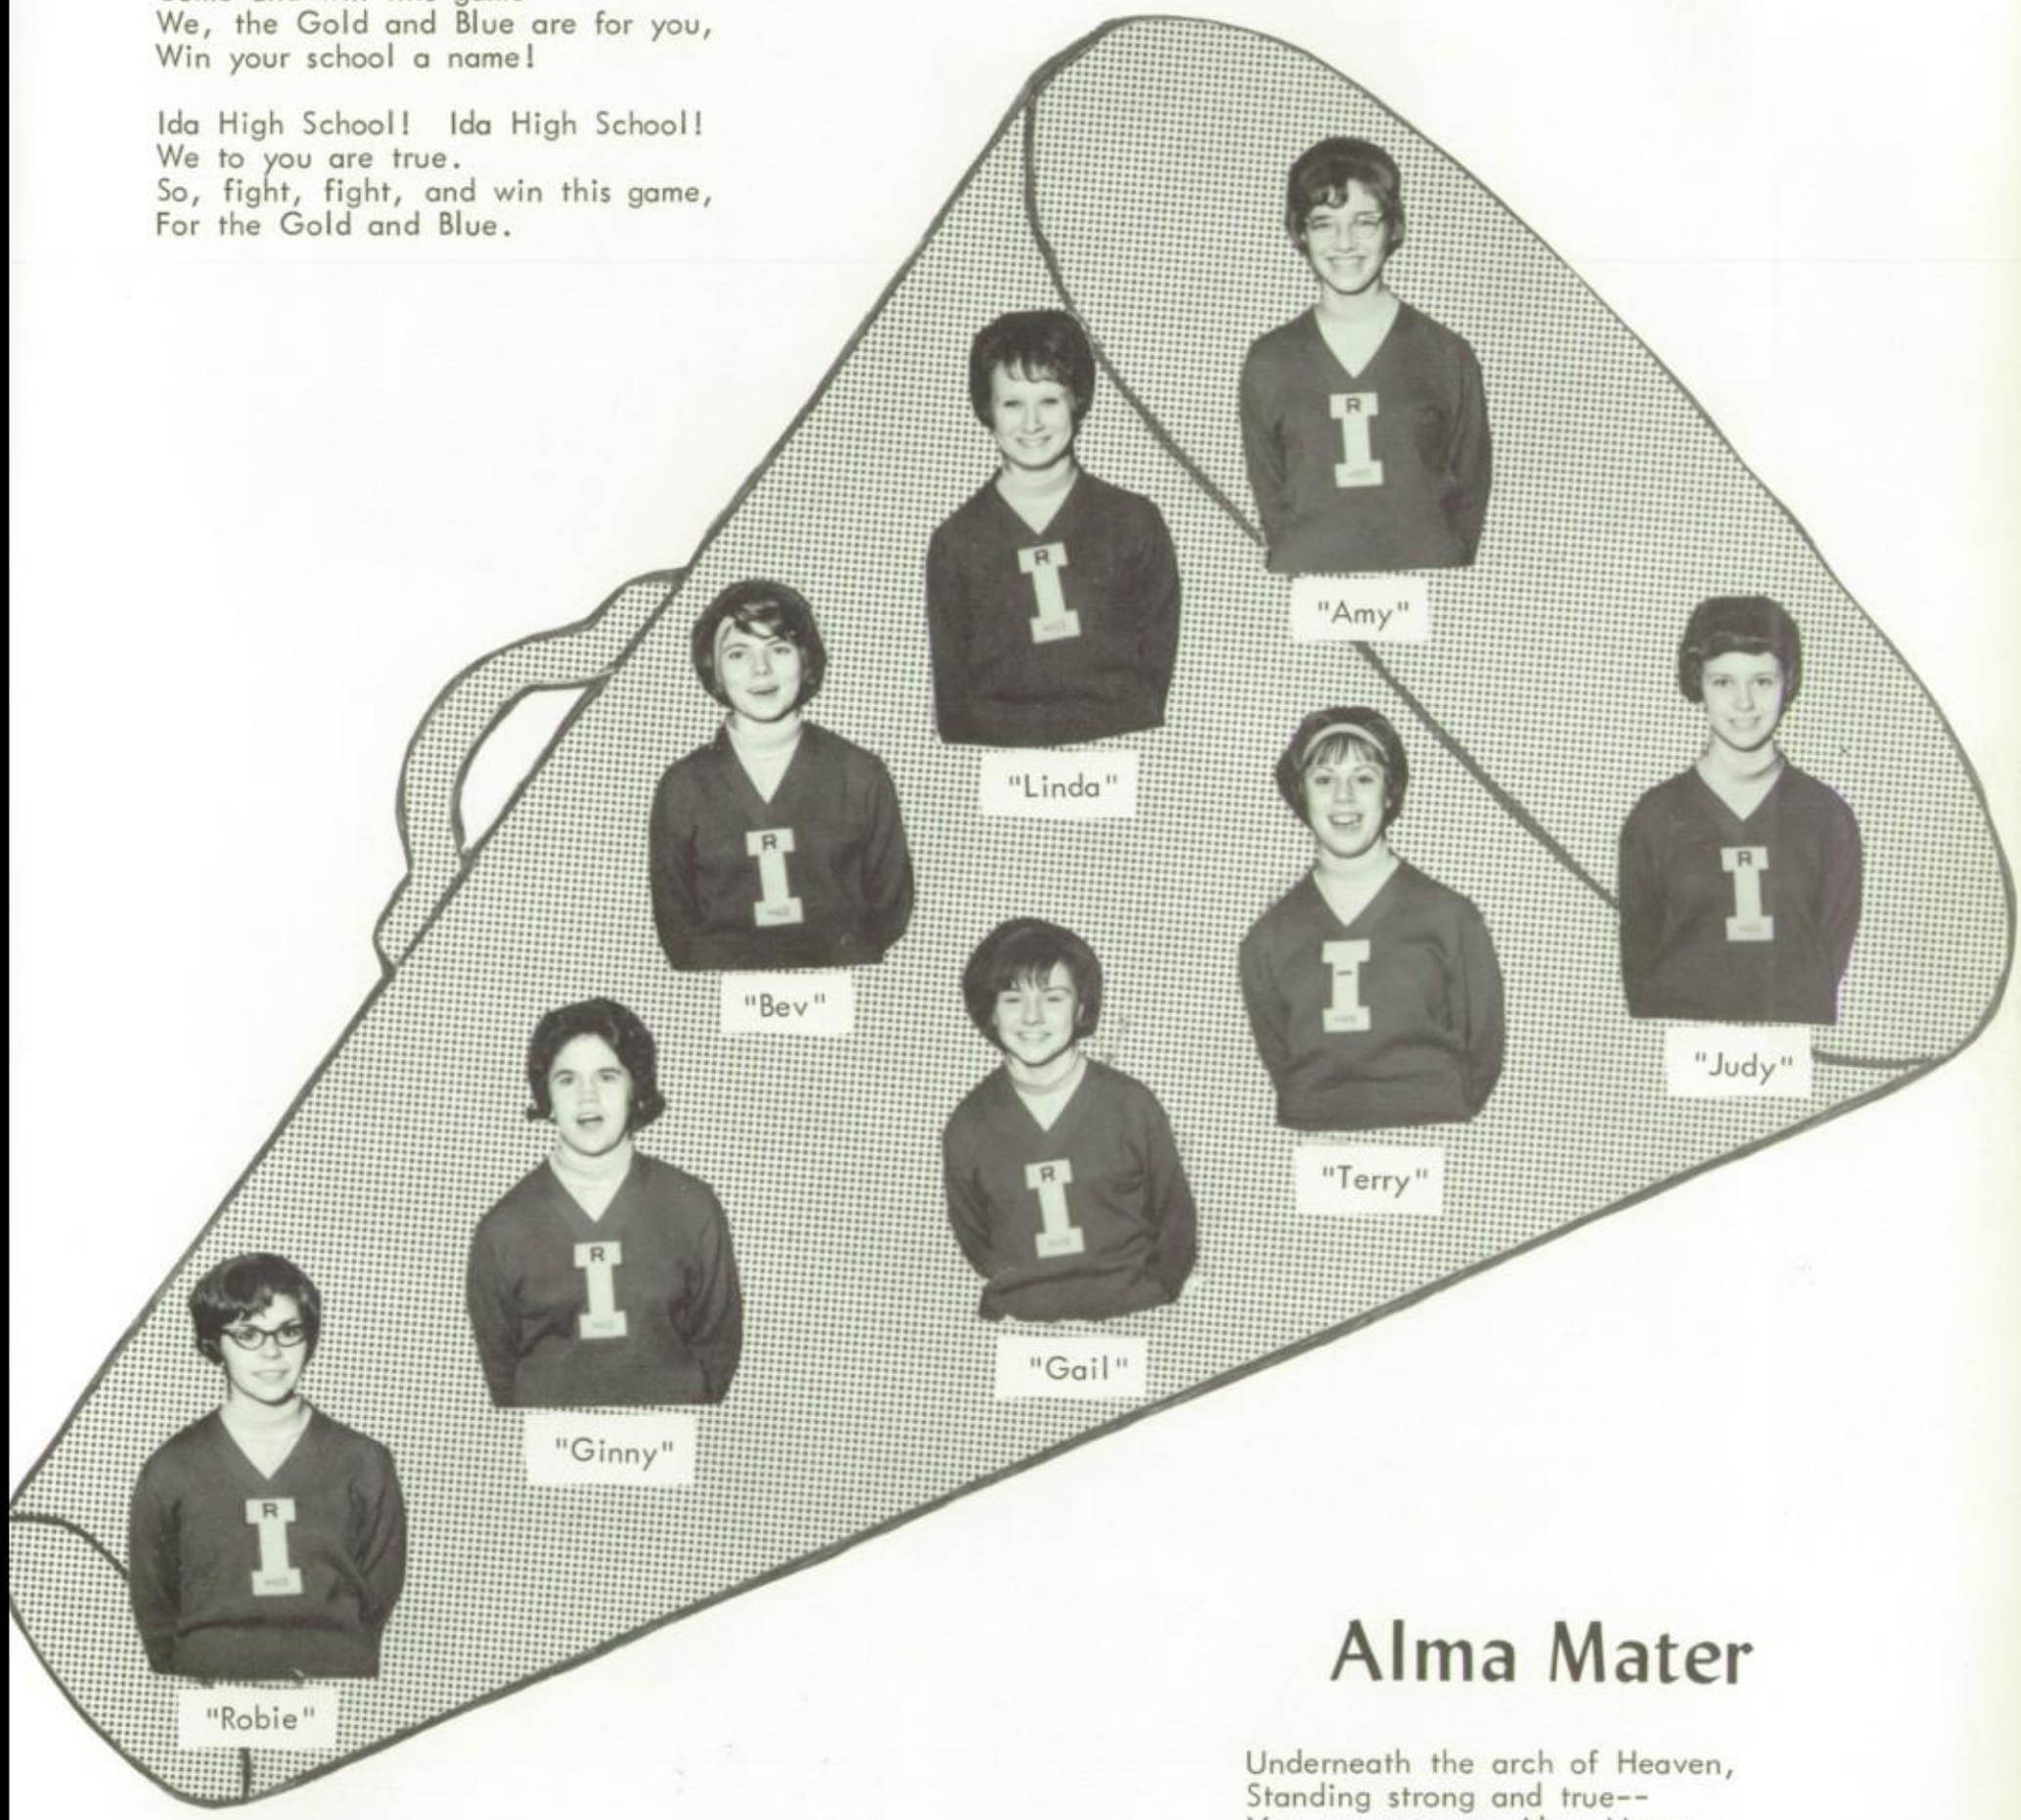
Fight Song

Come on, Ida! Come on, Ida!
Come and win this game--
We, the Gold and Blue are for you,
Win your school a name!

Ida High School! Ida High School!
We to you are true.
So, fight, fight, and win this game,
For the Gold and Blue.



Alma Mater

Underneath the arch of Heaven,
Standing strong and true--
You can see our Alma Mater
Robed in Gold and Blue.
From her doors our sons and daughters,
Leaving on their way
But through life they will remember--
Her and they will say--
Raise your voices! Sing your praises!
Upward to the sky--
Hail to thee, our Alma Mater!
Hail to IDA HIGH!

ELEMENTARY

Elementary school is a child's first contact with what will later become his most prized possession, education. Here he learns to make friends and enemies, to work and to play, to like and to dislike. Without school his life would be empty. It is the center of his life and he is the center of it.

ADVERTISING

Advertising is advantageous to the firm advertising because it draws the attention of people to their establishments. The newspaper or yearbook in which the advertisement is used receives its profit from the firm for allowing them to print their ad, which defrays the cost of the yearbook or literature in which the ad is printed.
